

Sharing Your Story

“Instagram Stories”

Each box represents a different part of your story. For each part of the story, draw a still-frame picture that captures the essence of that stage. Prepare to talk your community through your story using the pictures at your First Meeting. At this point, the only stipulation is that you be honest—even let yourself be stretched in vulnerability!

It doesn't matter how good your drawings are; this is simply a way for you to tell your story, to share it with others.
