

Jesus is the Better _____

Last week's Reflection #3 asked you to list ways Jesus is "the Better..." in general areas of your own life. Today we'll ask you to do the same, using specific images from the Bible. Pick at least five from the list below: in the first column, write a few words about that biblical person, and how he/she did/didn't fulfill his/her role. In the second column write a few words that describe how Jesus perfectly fulfilled the person's role, in a way they never could, to the glory of God.
