

# Resource License: Video

By accessing the content that accompanies this license, you agree with and are held to the terms below.

---

## USE

As a part of your Saturate license purchase, you may share this video with your team in a way that personally benefits you and your team.

You may not share or distribute the video or video link with anyone other than the group or team you are leading.

You may not share your login/password information with anyone so that they may access or download files from the Saturate website.

You are not allowed to use upload or embed this video anywhere online.

You are not allowed to use or distribute this video commercially or for any personal profit.

Proper attribution includes a visible location in the document. Acceptable locations are on the cover, inside cover, at the beginning of the document, in the footer, or back cover.

Please contact us if you are unsure that you have properly attributed Saturate.
